Dear Parents,

We are very grateful for your heartwarming, dedicated support and co-operation throughout the I Term activities/assignments. As per the vacation schedule the school will remain closed from 24th June 2016 to 17th September 2016. Classes will resume on Sunday, 18th September 2016.

We all do admit the fact that holidays are the time to have fun and enjoyment, but a long vacation can make us forget everything about studies. So let’s enjoy our holidays and do some interesting activities that keep us on track with the studies. These activities will inculcate the values in life and sharpen the skills in studies.

➢ To improve the writing, do two pages of English cursive-writing per week in a four lined note book.
➢ Learn tables of 2,3,5 and 10.
➢ Revise all the Hindi letters taught.
➢ Read English story books and make a list of the books that you have read.
➢ Collect 5 leaves of different shapes and sizes and stick them on A4 size papers and make a booklet.
➢ Visit an old-age home or an orphanage, take pictures, write your feelings in 4-5 sentences & stick the pictures in a booklet.
➢ Visit any of these places- zoo, planetarium, monument, etc.
   List down your observations and prepare a short speech regarding the same and present it before your class between 18th and 22nd September 2016.
➢ Refer page # 10 of Academic Planner also.

Finally we implore all parents to limit and monitor what your children read or watch on the television. Please ensure that the children do not lose the trend of daily prayer. Here’s wishing you all EID GREETINGS and HAPPY & SAFE HOLIDAYS !!!

Ms. Sadiqua Wahid
